

REPLACEMENT OF METAL SCHREINEMAKERS IMPRESSION TRAYS

After having been on the market successfully for more than 40 years, and creating countless impressions, it is time to say goodbye. From October 2019, the production and sales of the metal Schreinemakers impression trays will stop.

The trays will be replaced by the autoclavable Border-Lock impression trays by Schreinemakers. These Border-Lock trays are corrosion-free and guarantee a long life span.

Schreinemakers metal impression trays

- + perfect fit
- very sensitive to corrosion
- change of colour
- higher in price

Autoclavable Border-Lock impression trays

- + fit identical to Schreinemakers metal trays
- + no corrosion
- + long life span
- + advantageous in price
